INTERNSHIP POLICY & PROCEDURES

GUIDELINES FOR INTERNSHIP REPORT

International School of Business & Media Kolkata internship policies require students to set learning goals, work with a faculty adviser to obtain credit, and stay in touch with a campus mentor / contact to ensure a successful outcome. We ask organizations where the students are intern to commit to their learning process. Organizations assign supervisors to monitor, guide and evaluate the progress and the performance of the interns so as to ensure hands on learning during internship. ISB&M Kolkata offers academic credit for approved internships – organizations provide valuable experience and guidance to our ISB&M Kolkata students. We expect their direct supervision and that the supervisor will have professional expertise and knowledge.
